

HASHPA'AH PATH: COMMENTS

It's a shehecheyanu moment for me that the work of hashpa'ah – spiritual direction- has finally taken the prominence it deserves in Jewish life.

Rabbi Zalman Schachter-Shalomi, Rebbe and Mentor to HASHPA'AH

Studying in the Hashpa'ah program has opened spiritual doors for me in my own life and has filled a "God-gap" that I found missing in my own rabbinical training. In turn, it has helped me connect with my congregation on a deeper and more meaningful level.

Rabbi Ted Riter, California

Reb Shohama and Reb Nadya are amazing teachers, as are all the Rabbis and Rabbinic Pastors connected with the program. What I learned has been incredibly useful in my work and in my life.

Rabbinic Pastor Matia Angelou, Mashpi'ah Ruchanit, Massachusetts

Proper qualifications are needed to effectively facilitate others choosing to truly explore their spiritual path. To be able to master both the practical processes and deep soul knowledge needed to do this exceptionally well is the learning the HASHPA'AH Program provides brilliantly. To also experience such a positive transformational change within myself was the unexpected extra, for which I will be eternally grateful.

Jeremy Parnes, ALEPH Rabbinical Student, Canada

When travelling at night – someone to help open the flows of divine light – is a mashpia. [She helps you discern] what you long for and what is your purpose.

Rabbi Orna Triguboff, Mashpi'ah Ruchanit, Australia

The sacred work of Hashpa'ah has been the most rewarding part of my rabbinate... I want to thank my incredible teachers and chevre who have been my companions on this holy journey.

Rabbi Terry (Raphaella) Greenstein, Mashpi'ah Ruchanit, Massachusetts

My training towards becoming a Mashpi'ah/spiritual director has quickened my inner process and contributed to greater authenticity as a spiritual leader.
