

## AOP Hashpa'ah Program – Worksheet for Approximate Costs

Please **NOTE** that this Worksheet is for your personal use only – no need to send it to the AOP office.

You can use the Worksheet to calculate costs either for 1 year (that is, each of the 3 years) OR for the whole 3-year duration of the program. In the latter case, please make sure to multiply the price by the correct number, e.g., 3 (for annual fees) or 2 (for Winter Intensive accommodation).

If you have any questions, please contact AOP's administrator, Ming, at (215) 247-9700 x210.
